[15:17:07] <bluefox> Hey Icy
[15:17:13] <Icecfox> Hi blue! ^^;
[15:17:28] <Icecfox> ok I subscribed ^^;
[15:17:55] <bluefox> oh good. Can you write say() for me? It needs to take a char* and print it to the screen
[15:18:36] <Icecfox> no problem, this'll be a one-liner ^^;;
[15:20:08] <bluefox> You should probably use a void and don't return, here I'll fix it
[15:20:26] <bluefox> also you need comments
[15:20:34] <Icecfox> sheesh picky...
